Our Reflections During Christmas Break.

Becky & I had a season filled with joy celebrating with our family the birth of Jesus, the best news ever announced! Becky's nativity she set up inside a public grocery store received dozens of compliments and zero complaints! I was also blessed in a sudden reconnection with a dozen people that I served alongside on a summer missions project 37 years ago. I am re-energized to proclaim the gospel to those who've never heard.

Praise: Two board members and one staff member were recently in the hospital for various health reasons. The good news is that prayer works and these individuals are now recovering and their health is improving!

God has provided almost 75% of the funds that we need to construct and equip new classroom space.

The Lynch family are now "officially" alumni and have begun orientation as new missionaries with Mission Aviation Fellowship in Nampa, Idaho.

We especially praise God for **YOU** who pray and partner with us financially. Without **YOU** we are unable to do our ministry here at MATA to train the next generation of pilots who will serve Him around the world.

Prayer: Things are progressing for the MATA construction project. While we don't quite yet have permits, we do expect to begin construction this month to build much needed additional classrooms.

Please continue to pray for the Eygabroad family as they prepare to come and minister with MATA. Pray that all the paperwork will be approved soon for them to transport their adopted African daughter with them back to the United States.

Please continue to pray that MATA will soon obtain certification to become an FAA Part 141 facility so that we can train foreign students.

Thank You!

New Babies Added to the MATA Family!

Congratulations to Matthew & Kylie Lynch with the birth of their first child, a daughter, Autumn Joy, on 12/18/2020.

Congratulations to Justin & Addison Vaughan with the birth of their second daughter, Alice Louise, on 12/29/2020.
