Declare His glory among the nations, His marvelous works among all the peoples! (Psalm 96:3)

Your Impact for the People of Haiti

Because of your partnership with our ministry to prepare pilots for missions, we are pleased to report that MATA alum, Matthew Carter, is now fully supported and began work in Haiti with MAF a few days ago. As a pilot, he delivers food, medicine, mail, and building supplies. He'll also be performing medical evacuation flights for villagers and to those following God's call to bring the gospel to those who have yet to hear it. He looks forward to keeping local churches and missionaries directly supported and sustained as they shine God's light to the people around them.

Aviation Camp Sold Out! We are excitedly expecting eighteen teen boys and girls coming from the northwest and various other parts of the United States to join with us for a week at the Academy during the end of July. They will be introduced to world evangelism and exposed to career activities of a missionary pilot. All teens will be given hands on instruction on how to fly an airplane, logging time that can later be transferred to help meet the requirements to obtain a private pilot certificate. Please pray for a good experience.

We Would Love to See You in Person!

Bryan and Mari Eygabroad, serving with Mission Aviation Fellowship in Lesotho, Africa, have been waiting two years for their daughter's visa to enter the U.S.A. Bryan is a MATA alum and is approved to join the MATA team, on loan from MAF, as a flight instructor. As they have exhausted every option to have it processed, *please pray for the Lord's intervention to provide their daughter's visa!*

Opening Doors To The Gospel

We are commanded in 2 Timothy 4:2 to always be ready to do whatever God wants us to do. Here is a phrase that you can use to quickly transition a conversation towards Jesus.

"I am a person of faith. Are you?"

Praise:

- We had an excellent time interacting with a church in Mount Vernon at the end of April during their annual missions conference. About a dozen people signed up to receive more information about missions and said that they will pray for our ministry!
- Our youngest granddaughter turns five this month. She is always a delight as she reveals how to view the world through the eyes of a child!
- We especially praise God for those who partner with us in prayer. God's answers amaze us regularly!

Please Pray For:

- For our two newest students, **Brady** and his wife Heather who are living at a nearby B&B during his Private Pilot training, and **Gregorio** who is a commercial pilot from Mexico in the last stages of preparing for his Technical Evaluation as he candidates for full time missionary service. Please pray for good flying weather!
- Becky and I will be speaking at a church about our ministry near the end of the month of May. Please pray for those that we interact with to be inspired and blessed.

Thank You!
