MISSION AVIATION TRAINING ACADEMY

Training and equipping evangelical Christian pilots for missionary service.

Plea for Disciple Makers - Thousands of Students at Local Public Schools are Getting Saved!

We have been praying for years that God would open the doors of public schools to Jesus. God has recently been answering this prayer in phenomenal ways in Washington State through "Living for More" ministry events. This last semester of 2025-2026, many thousands of students attending 19 different secular public High Schools were impacted. Some of these schools have well over a thousand students. Sometimes more than half of the student body shows up to listen. (See some recent event photos below). Many students, for the first time ever, heard a clear presentation of the Gospel message about Jesus. More than 1,500 students in the last 12 months prayed to give their lives to Jesus and accept Him as their savior! What is desperately needed right now are churches, pastors, and Christian leaders to come alongside these schools in a consistent way to disciple student leaders about how to disciple their friends, who will also become disciple makers. It is my pleasure as a member of the **MFS (Missions Fest Seattle) Leadership Committee** to provide you with more information about this ministry, and how to get involved in what God is doing in the public schools. Please see our included MFS Report about "Enoch Walter".

Mount Vernon

Marysville

Shoreline

Federal Way

Olympia

Renton

Events at other schools in Eastern Washington included Tri-Cities (Pasco) & Yakima (East & West Valley High Schools).

MATA Student Enrollments

Over the past few weeks, MATA has seen two individuals who were previous campers in MATA's Mission Aviation Summer Camp, return as students in the flight program. Nathaniel Sconyers of Arlington, WA, and Grace Frame of Lake Oswego, OR. Both are training for their instrument rating.

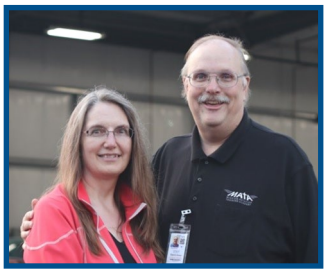
National Evangelism Day – October 31

Jesus says to his disciples, *"Suffer little children and forbid them not to come unto me." (Mattew 19:14a). KJV*

Halloween is one time each year that children from troubled and unsaved homes are allowed by their parent(s) to come talk to neighbors & strangers and accept treats & candy. This is an amazing opportunity to shine the light of Jesus into homes with families that may be spiritually dark and who never go to church. It's a great opportunity to deliver the best news of all time by including Gospel tracts with the candy!

Praises & Prayer Requests:

Praise: God was on the move during the annual Missions Fest Seattle event, October 16-18. We were very privileged to see several children plus adults pray to give their lives to Jesus during the activities, events, & outreaches that occurred over two days. Please see our special report included with this prayer letter.
Praise: MATA recently accepted a generous donation of a Cessna 182 airplane for service in mission training.
Praise: We especially praise God for YOU, our partners who provide the prayer support we need!
Please Pray: For Operation Christmas Child (Samaritan's Purse) as MATA serves as a local dropoff location during November 16-23 for local individuals and churches, and central dropoff location on November 23 for the churches of Snohomish County. We expect to once again fill up to three trucking trailers with many thousands of gift shoeboxes for delivery to children around the world. Each shoebox represents a child plus their friends & family who will hear the Good News message of how to enter into a relationship with Jesus.
Please Pray: For logistics and funding needed for our building project so we can expand operations, classrooms, and office space at the MATA Annex.



Clayton + Becky

We thank you immensely for all your prayers. Please let us know how we can pray for you too.
