Advancing Missions Involvement & Networking

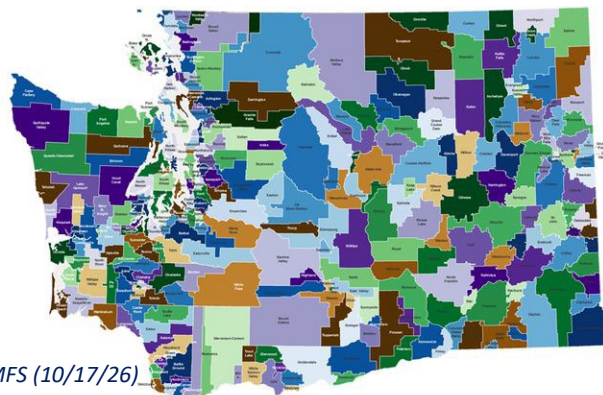

Enoch Walter: Spiritual Revival Now Occurring in WA Public Schools!

God is answering prayers through Enoch of the "Living for More" ministry. Enoch connects with the student leaders of existing Christian and Bible clubs in public schools to provide tools and resources to help expose their fellow students to Jesus. This is done through voluntary school assemblies where half the student body may show up to listen. Thousands of students have recently given their lives to Jesus and accepted Him as savior! The student club leaders are then equipped to disciple other students in a close relationship connecting through Jesus, thinking & acting like Jesus to make even more disciples. Enoch gave a workshop at MFS on how students can start a Christian club, find sponsoring teachers, and proclaim Jesus.

Pastor Jesse Bradley, Chaplain of the famous Seattle Sounders Soccer Team, Speaks at MFS. (10/17/26)

God is using Church Parking Lot Drive-Thru Prayer Ministries to Transform the Lives of Many Commuters!

People who don't know Jesus or don't have a church, but do have struggles and a longing for their personal spiritual needs to be met, become greatly attracted to receiving prayer at a church drive-thru. Senior pastor, Jesse Bradley of Grace Community Church in Auburn, WA, co-founded a way to minister to the commuters who often pass by their church. God answered this step of faith with staggering success! Regular church members rotate their time to pray with those who pull into their church parking lot drive-thru. This ministry rapidly grew with the addition of coffee and food, as well as meeting other community needs. Providing prayer, love, and the Gospel of Jesus is resulting in many changed lives and is increasing the number of followers of Jesus. When other churches in the Auburn area unexpectedly started receiving brand new Christian converts through this ministry, they began collaborating with Grace Community Church with their own drive-thrus. This God-inspired ministry is now expanding nationwide! **Is your church on a busy road? See how your church can start a drive-thru prayer ministry:** <https://drivethruhope.org/getting-started/>

Not Just Talking About Missions, GOING! – God blessed the MFS Outreaches.

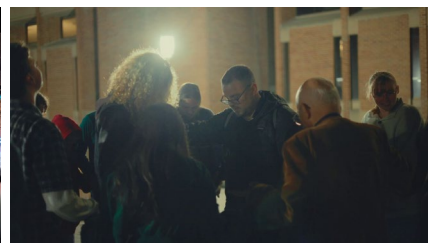

Afternoon outreach participants share how God worked.

Evangelism Training for evening outreach.

Outreach participants in the streets.

Praying with and for people out in the streets.

Missions Fest Seattle had an advantage this year with multiple mobilizers inspiring Jesus followers to get out of their comfort zones, trust God, and attempt great things for God's Kingdom. Interested individuals and youth from multiple churches were excited to learn about how to gain skills in street evangelism and then immediately test these new skills out on the streets. This was a win/win. Participants had the privilege of being used by God to plant spiritual seeds and harvest spiritual fruit. This is an awesome thing. People who made salvation decisions crossed over from darkness into light and were blessed eternally by gaining a personal relationship with God, which is exactly why God created them!

Window On the World Videos Were Well Received

Two full-time missionaries (Dr. Ron Rice and Clayton Howie) serving on the MFS Leadership Team were each given the privilege to present a special video on stage at the beginning of a main session for those attending MFS.

Our awesome God is doing countless things in missions and more! These videos give a tiny glimpse of what God is doing behind the scenes that followers of Jesus will be able to praise God for all eternity!

- Praising God for the outreaches where more laborers for Jesus were trained in evangelism, spiritual seeds were planted, and souls were transitioned from darkness into light, gaining an eternal personal relationship with their creator - the King of kings and Lord of lords God who is, was, and is to come!
- Praising God for all the volunteers who came from Canada, and even one from the U.S. east coast. Praising God for the more than 50 seminars and more than 70 mission agency exhibitors who provided a plethora of ideas & networking of how ordinary people can do astonishing things for God.
